I am an IT Project & Service Manager at SUNY, husband, and father to 2 girls.

I have been a member of the club since 2013 and have been on the Men's Club Board since 2023 serving as the Membership Chairman and assisting the Men's League committee to help with scheduling, scoring, and standings.

**Roger Hubacher**

I have been a member in good standing of our golf club since 2002. During that time, I have served on various committees and board positions helping to improve our golfing experience. Prior to my retirement in 2014, I owned and operated a Medical Equipment company, Complete Homecare Inc. Located in the City of Tonawanda for nearly 40 years. During my professional career, I served at various levels in many local and statewide organizations helping to serve our community and profession. After 2 years of health issues, I decided it was time to retire, live and enjoy life. I have been the treasurer of the Men's club since 2016.

**Brendan Feeley**

My name is Brendan Feeley and I am proud to be running for the Pendleton Men's Club Board. I have had the pleasure of growing up at this club and have met many great people along the way. I look forward to bringing forward new traditions while maintaining and respecting legacy traditions of our club. I hope to join the board and bring forward new initiatives that can make an improved experience for all members.

**Ross Pochatko**

My name is Ross Pochatko and I am a 2024 candidate for the Pendleton Creek Men's Club Board of Directors. I am an elementary Special Education Teacher in the Niagara Falls City School District and contribute spare time coaching for the Niagara Falls High School Wolverines football and baseball teams. Golf has been another substantial part of my life as I played high school and collegiate golf at SUNY Niagara. This is my fifth year as a member at Pendleton Creek Golf Club and my aspiration, if elected is to make a bigger impact in addition to being a model member. Some of my plans include focusing on issues and complaints of the members to create an all-around enjoyable experience at Pendleton Creek for existing and incoming members.
